Day Trip to Visit the Boat Building Academy on Tuesday 24th May 2016

A few spaces are still available for this fascinating insight into small boat building, and to see what the trainees have produced in the last the 12 months.

You are invited to take part in a day's outing by coach to Lyme Regis on 24th May [next Tuesday], to visit the Boat Building Academy, with an hour's guided tour and end of year viewing.

There is also the opportunity for lunch (not included) in nearby Lyme Regis, a walk to the famous Cob, and the attractive Regency town. Other places you may want to see are the Dinosaur Museum, and famous Sanctuary book shop in Broad Street.

We aim to be back in Whitecliff by 5.30 pm.
