New summer menu now available

The Club is now serving its summer menu, which includes a tempting selection of new dishes.

Our main course selection now includes a Swordfish Burger, Coronation Chicken Salad, Dressed Dorset Crab and Baked Cornish Hake Fillet. In addition, we have added Steamed Mussels in a White Wine, Garlic & Cream Sauce to our choice of starters, and can also offer a Super Food Salad as a starter or main course. And for those with a sweet tooth, there's a New Forest Berry Mille Feuille.

At the same time, we've also made sure that many of your favourites are still available – such as Cheese Souffle, Gammon Steak, Tempura Prawns and Minute Steak!

If this has whetted your appetite, we strongly recommend that you book in advance to avoid disappointment. The restaurant's phone number is 01202 707513.
