## HAUL OUT AND WINTER STORAGE APPLICATION 2019-2020

The following conditions apply:

1. Priority for Winter Storage is allocated to Swinging Mooring Holders.
2. It is the responsibility of each Member to ensure that their boat is ready to be re-launched by the specified date.
3. The Club's Rules and Bye-Laws contained in the Member's Year Book or, if later, on the Club website regarding berthing, mooring and storage are incorporated in this application and will bind the member applying.
4. The Club will use its reasonable endeavours to honour booked dates.
5. Any claim against the Club or its employees in relation to these activities must be submitted through the insurer of the Member's boat and will normally be dealt with by the Club's insurers.
6. It is important to advise the General Manager/RMYC Office of all work required to be carried out in order for a programme to be prepared for the Yard staff and contractors. If dates can also be provided that would be helpful.
7. A spare set of boat and (if relevant) trailer keys must be deposited with the RMYC Office.

**Please return your completed form to the RMYC Office by Monday 16<sup>th</sup> September 2019**
